

Authorisation to collect Children from Choicekids

As part of our pick up and drop off service at ChoiceKids, we require all parents/guardians of children using the van service to complete the 'Authorisation to collect children from ChoiceKids' form.

This form is to give the van driver permission to transport your child to and from the centre and be an "authorised person" to collect your child from the centre and drop them home, as well as sign them in at the centre after being picked up from your home.

Please note: The van driver acts as an 'authority to collect your child' not as a teacher during the journey from home to centre and centre to home, exactly like an 'authority to collect child' on the child's enrolment form.

Permission Information

I(Parent/guardians name)_____ give permission for

(Van Driver) _____ to transport my child _____ to and from

ChoiceKids. If the nominated van driver is away I give permission for a substitute van driver to collect my child.

I understand that by signing this, the van driver named above will be listed as an 'authority to collect child' on my child's enrolment form.
